

PRESIDENTS REPORT, DRASA Inc, 2019 AGM.

Rebirth of DRASA on a Social Basis at the Metro Hotel, Adelaide, approx August 2018, averaging 7+ Riders both Past & Present to meetings.

After deciding the Metro wasn't the place for us, due to noise & lack of parking, we opted for the Britannia Hotel, but unfortunately, like the Metro, noise was an issue.

Since then, we seem to have rooted ourselves here at the Earl of Leicester Hotel for our General Meetings, we have now built ourselves up to 19 Full Time Financial Members.

During the past year, we have become affiliated with ANDRA, and are covered by their Insurances for Displays etc.

We have proceeded with a Logo and Banner for Signage and Promotion of the Club, along with our Facebook Site which is open to the General Public.

Self Promotion at Tracks and Open Days or Street Meets continues. DRASA seems to be getting some interest from other Street Bike Riders at the moment and a couple have joined our Facebook Page to keep in touch with what's going on.

A Great Weekend / Display at Motofest, which got great reviews from the Asian Superbike Teams, and a pat on the back to us via Mark Warren of The Bend, and MA on the Sunday, after our last Real Time Display. – Thanks to all who contributed, they being Members, Non Members, and Friends.

Let's not forget ANDRA's awesome contribution to the Weekend as well!!
